Location: kor group

374 Congress St, Boston, MA

The session will begin promptly at 10:00am.

or email Karen Dendy Smith: kds_qigong@me.com

There are 2 options for attending the Group Healing Class:

Please specify which option you are signing up for, as seating is limited.

OPTION 1: Healing Class Only - \$50.00

SEATING LIMIT: 11

Part One is a short lecture by Master Ou, discussing the nature of healing as it relates to Pangu Shengong practice. Typically lasting for 10-15 minutes, Master Ou emits healing Qi to the group during the entire lecture.

Part Two consists of Master Ou sending more directed energy to the group. Often through the use of his own healing chants, poetry and music, this portion of the event brings the Qi more deeply to the areas of a person's body, heart and soul that are in need of help.

OPTION 2: Healing Class and One-on-one

time with Master Ou - \$70.00

SEATING LIMIT: 15

Part One is a short lecture by Master Ou, discussing the nature of healing as it relates to Pangu Shengong practice. Typically lasting for 10-15 minutes, Master Ou emits healing Qi to the group during the entire lecture.

Part Two consists of Master Ou sending more directed energy to the group. Often through the use of his own healing chants, poetry and music, this portion of the event brings the Qi more deeply to the areas of a person's body, heart and soul that are in need of help.

Part Three has Master Ou meeting briefly with each person in the group to discuss particular concerns, offer any advice if needed, and move and strengthen energy to that purpose. While waiting for your one-on-one time Master Ou recommends practicing Pangu Shengong, sitting quietly, or reading. This serves to deepen and integrate the healing experience.
